

NorCal Science Olympiad

2017 Two-Day Summer Workshop

Who? The California Science League in coordination with the NorCal Science Olympiad

What? Two-day Science Olympiad Summer Workshop for students, parents, and teachers/coaches.

Why? The workshop is designed to increase participant interest and competence in hands-on science activities in a relaxed, safe and fun atmosphere. Participants do not have to be on a Science Olympiad team to enroll.

Participants will:

- gain knowledge of basic science concepts, facts, processes, skills and applications
- test and improve their science laboratory skills
- work as a team and gain team building skills
- learn how to be competitive while competing on a budget
- learn from experienced coaches how to effectively coach a team to success
- compete and win awards
